School Board Approval

This plan was approved by the Dade County School Board on 10/16/2024.

SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state’s graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

ADDITIONAL TARGET SUPPORT AND IMPROVEMENT (ATSI)
A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.
TARGETED SUPPORT AND IMPROVEMENT (TSI)
A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.
COMPREHENSIVE SUPPORT AND IMPROVEMENT (CSI)
A school can be identified as CSI in any of the following four ways: <ol style="list-style-type: none"> 1. Have an overall Federal Index below 41%; 2. Have a graduation rate at or below 67%; 3. Have a school grade of D or F; or 4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parents), is informed by all indicators in the State’s accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://cims2.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department’s SIP template may address the requirements for:

1. Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and
2. Charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP SECTIONS	TITLE I SCHOOLWIDE PROGRAM	CHARTER SCHOOLS
I.A: School Mission/Vision		6A-1.099827(4)(a)(1)
I.B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)	
I.E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II.A-E: Data Review		6A-1.099827(4)(a)(2)
III.A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III.B, IV: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
V: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. The printed version in CIMS represents the SIP as of the "Printed" date listed in the footer.

I. School Information

A. School Mission and Vision

Provide the school's mission statement

Emerson Elementary School's primary mission is to provide all students with an educational environment that will allow them to become biliterate self-directed, lifelong learners who are able to positively contribute to our multicultural society.

Provide the school's vision statement

The faculty and staff at Emerson Elementary School set high expectations for students and encourage them to work to their fullest potential by ensuring a safe, culturally diverse, educational environment that is both challenging and motivating.

B. School Leadership Team

School Leadership Team

For each member of the school leadership team, enter the employee name, and identify the position title and job duties/responsibilities as they relate to SIP implementation for each member of the school leadership team.

Leadership Team Member #1

Employee's Name

Sergio Munoz

Position Title

Principal

Job Duties and Responsibilities

The role of the principal is to be accountable for all aspects of the school site, to provide strategic direction, and to be the instructional leader who builds capacity of faculty and staff. The principal observes and evaluates teaching methods, monitors student achievement, and encourages parental involvement. The principal revises policies and procedures, monitors the budget, hires and oversees facilities. Other important duties include developing safety protocols and emergency response procedures.

Leadership Team Member #2

Employee's Name

Sandra Munoz-Rose

Position Title

Assistant Principal

Job Duties and Responsibilities

The Assistant Principal assumes leadership of the school in the absence of the principal. She assists in the planning, development, organization, coordination, and supervision of instructional programs and activities while working collaboratively with the Principal to develop long and short range plans for the school. The Assistant Principal develops and coordinates the Master Schedule, reviews plans for emergency situations, and maintains a commitment to staff, students, and stakeholders. Performs other related duties as needed.

Leadership Team Member #3

Employee's Name

Myrlins Castillo-Borrero

Position Title

Instructional Coach

Job Duties and Responsibilities

Reading Coach; Professional Development Liaison

Leadership Team Member #4

Employee's Name

Grisell Gandon

Position Title

Teacher K-12

Job Duties and Responsibilities

Lead Mentor; Fourth Grade Teacher

Leadership Team Member #5

Employee's Name

Nuri Gaston

Position Title

School Counselor

Job Duties and Responsibilities

Provide emotional support and counsel students; SST Coordinator

Leadership Team Member #6

Employee's Name

Christine Sotolongo

Position Title

ESE Teacher

Job Duties and Responsibilities

Grade Level Chairperson; ESE Teacher; EESAC Chair

Leadership Team Member #7

Employee's Name

Sylvia Ordonez

Position Title

Teacher K-12

Job Duties and Responsibilities

Gradebook Manager; Fifth Grade Teacher

C. Stakeholder Involvement and Monitoring

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders [including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders] and how their input was used in the SIP development process. (ESEA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

The stakeholders involved in building a positive school culture and environment are the Principal, Assistant Principals, Teacher Leaders, and Counselor. The principal's role is to monitor and oversee all the school's initiatives and respond to concerns with morale by planning team building and morale boosting activities. The assistant principal will monitor and assist in ensuring all information is shared with stakeholders in a timely manner. Teacher leaders will assist with building capacity and the sharing of best practices. All stakeholders are responsible for making concerted efforts to connect and build relationships with students, parents, and families.

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the state academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan with stakeholder feedback, as necessary, to ensure continuous improvement. (ESEA 1114(b)(3))

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. Classroom walkthroughs, data chats to monitor student progress and analyzing the climate survey are the processes for monitoring the SIP. The data will be shared during leadership team meetings and strategies will be adjusted to increase success of our school goal. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year.

D. Demographic Data

2024-25 STATUS (PER MSID FILE)	ACTIVE
SCHOOL TYPE AND GRADES SERVED (PER MSID FILE)	ELEMENTARY PK-5
PRIMARY SERVICE TYPE (PER MSID FILE)	K-12 GENERAL EDUCATION
2023-24 TITLE I SCHOOL STATUS	YES
2023-24 MINORITY RATE	96.5%
2023-24 ECONOMICALLY DISADVANTAGED (FRL) RATE	79.0%
CHARTER SCHOOL	NO
RAISE SCHOOL	YES
2023-24 ESSA IDENTIFICATION *UPDATED AS OF 7/25/2024	N/A
ELIGIBLE FOR UNIFIED SCHOOL IMPROVEMENT GRANT (UNISIG)	
2023-24 ESSA SUBGROUPS REPRESENTED (SUBGROUPS WITH 10 OR MORE STUDENTS) (SUBGROUPS BELOW THE FEDERAL THRESHOLD ARE IDENTIFIED WITH AN ASTERISK)	STUDENTS WITH DISABILITIES (SWD) ENGLISH LANGUAGE LEARNERS (ELL) HISPANIC STUDENTS (HSP) ECONOMICALLY DISADVANTAGED STUDENTS (FRL)
SCHOOL GRADES HISTORY <i>*2022-23 SCHOOL GRADES WILL SERVE AS AN INFORMATIONAL BASELINE.</i>	2023-24: A 2022-23: A* 2021-22: A 2020-21: 2019-20:

E. Early Warning Systems

1. Grades K-8

Current Year 2024-25

Using 2023-24 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

INDICATOR	GRADE LEVEL									TOTAL
	K	1	2	3	4	5	6	7	8	
Absent 10% or more school days	0	1	3	2	1	2				9
One or more suspensions	0	1	1	1	1	1				5
Course failure in English Language Arts (ELA)			1	4	1					6
Course failure in Math				1	1					2
Level 1 on statewide ELA assessment				3	5	18				26
Level 1 on statewide Math assessment				1	2	11				14
Number of students with a substantial reading deficiency as defined by Rule 6A-6.053, F.A.C. (only applies to grades K-3)		7	14	8						29
Number of students with a substantial mathematics defined by Rule 6A-6.0533, F.A.C. (only applies to grades K-4)		3	3	2	1					9

Current Year 2024-25

Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:

INDICATOR	GRADE LEVEL									TOTAL
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	3	5	5	6	18				37

Current Year 2024-25

Using the table above, complete the table below with the number of students retained:

INDICATOR	GRADE LEVEL									TOTAL
	K	1	2	3	4	5	6	7	8	
Retained students: current year	0	0	1	3	0	0				4
Students retained two or more times	0	0	0	0	0	0				0

Prior Year (2023-24) As Last Reported (pre-populated)

The number of students by grade level that exhibited each early warning indicator:

INDICATOR	GRADE LEVEL									TOTAL
	K	1	2	3	4	5	6	7	8	
Absent 10% or more school days	3	3	3	4	5	2				20
One or more suspensions										0
Course failure in ELA				3	3	1				7
Course failure in Math		2			6					8
Level 1 on statewide ELA assessment				11	9	12				32
Level 1 on statewide Math assessment				3	9	8				20
Number of students with a substantial reading deficiency as defined by Rule 6A-6.053, F.A.C. (only applies to grades K-3)	14	7	10	16						73

Prior Year (2023-24) As Last Reported (pre-populated)

The number of students by current grade level that had two or more early warning indicators:

INDICATOR	GRADE LEVEL									TOTAL
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators		1		5	8	7				21

Prior Year (2023-24) As Last Reported (pre-populated)

The number of students retained:

INDICATOR	GRADE LEVEL									TOTAL
	K	1	2	3	4	5	6	7	8	
Retained students: current year	2	1		1	2					6
Students retained two or more times						1				1

2. Grades 9-12 (optional)

This section intentionally left blank because it addresses grades not taught at this school or the school opted not to include data for these grades.

II. Needs Assessment/Data Review (ESEA Section 1114(b)(6))

A. ESSA School, District, State Comparison

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

Data for 2023-24 had not been fully loaded to CIMIS at time of printing.

ACCOUNTABILITY COMPONENT	2024			2023			2022**		
	SCHOOL	DISTRICT†	STATE†	SCHOOL	DISTRICT†	STATE†	SCHOOL	DISTRICT†	STATE†
ELA Achievement *	74	63	57	74	60	53	79	62	56
ELA Grade 3 Achievement **	85	63	58	80	60	53			
ELA Learning Gains	59	64	60				84		
ELA Learning Gains Lowest 25%	57	62	57				75		
Math Achievement *	77	69	62	83	66	59	77	58	50
Math Learning Gains	56	65	62				65		
Math Learning Gains Lowest 25%	35	58	52				50		
Science Achievement *	56	61	57	68	58	54	56	64	59
Social Studies Achievement *								71	64
Graduation Rate								53	50
Middle School Acceleration								63	52
College and Career Readiness									80
ELP Progress	75	64	61	79	63	59	74		

*In cases where a school does not test 95% of students in a subject, the achievement component will be different in the Federal Percent of Points Index (FPPi) than in school grades calculation.

**Grade 3 ELA Achievement was added beginning with the 2023 calculation.

† District and State data presented here are for schools of the same type: elementary, middle, high school, or combination.

B. ESSA School-Level Data Review (pre-populated)

2023-24 ESSA FPPI	
ESSA Category (CSI, TSI or ATSI)	N/A
OVERALL FPPI – All Students	64%
OVERALL FPPI Below 41% - All Students	No
Total Number of Subgroups Missing the Target	0
Total Points Earned for the FPPI	574
Total Components for the FPPI	9
Percent Tested	100%
Graduation Rate	

ESSA OVERALL FPPI HISTORY						
2023-24	2022-23	2021-22	2020-21	2019-20*	2018-19	2017-18
64%	76%	70%	55%		73%	75%

* Pursuant to Florida Department of Education Emergency Order No. 2020-EO-1 (PDF), spring K-12 statewide assessment test administrations for the 2019-20 school year were canceled and accountability measures reliant on such data were not calculated for the 2019-20 school year. In April 2020, the U.S. Department of Education provided all states a waiver to keep the same school identifications for 2019-20 as determined in 2018-19 due to the COVID-19 pandemic.

C. ESSA Subgroup Data Review (pre-populated)

2023-24 ESSA SUBGROUP DATA SUMMARY

ESSA SUBGROUP	FEDERAL PERCENT OF POINTS INDEX	SUBGROUP BELOW 41%	NUMBER OF CONSECUTIVE YEARS THE SUBGROUP IS BELOW 41%	NUMBER OF CONSECUTIVE YEARS THE SUBGROUP IS BELOW 32%
Students With Disabilities	50%	No		
English Language Learners	62%	No		
Hispanic Students	63%	No		
Economically Disadvantaged Students	61%	No		

2022-23 ESSA SUBGROUP DATA SUMMARY

ESSA SUBGROUP	FEDERAL PERCENT OF POINTS INDEX	SUBGROUP BELOW 41%	NUMBER OF CONSECUTIVE YEARS THE SUBGROUP IS BELOW 41%	NUMBER OF CONSECUTIVE YEARS THE SUBGROUP IS BELOW 32%
Students With Disabilities	59%	No		
English Language Learners	79%	No		
Hispanic Students	76%	No

Math	5	71%	59%	12%	56%	15%
Science	5	46%	53%	-7%	53%	-7%

III. Planning for Improvement

A. Data Analysis/Reflection (ESEA Section 1114(b)(6))

Answer the following reflection prompts after examining any/all relevant school data sources.

Most Improvement

Which data component showed the most improvement? What new actions did your school take in this area?

An analysis of the data from the 2024 administration of the F.A.S.T. Assessment for Reading and Mathematics and the Science Assessment reveals the most improvement was on the F.A.S.T ELA Assessment with 61% of the students performing at proficiency level. The focus on implementing collaborative planning to disaggregate data to adjust instructional practice for remediation and enrichment, providing differentiated instruction within the instructional block including intensive pull-out intervention for the Tier 2 and Tier 3 students and building capacity through professional learning opportunities to align with state standards and pacing guide contributed to an improvement on the three year data trend.

Lowest Performance

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends. An analysis of the data from the 2024 administration of the F.A.S.T. Assessment for Reading and Mathematics and the Science Assessment reveals that the lowest performance was the Science Assessment with 46% of students performing at proficiency level. For the last three years, the data trends demonstrate a percentage score with no increase on the 2023 Science Assessment in comparison to the 2022 Science Assessment and a 10 percent decrease on the 2024 Science Assessment in comparison to the 2023 Science Assessment. The contributing factor to last year's low performance is the percentage of teachers implementing interactive learning during the science instructional block.

Greatest Decline

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline. An analysis of the data from the 2024 administration of the F.A.S.T. Assessment for Reading and Mathematics and the Science Assessment reveals that the greatest decline was in the F.A.S.T. Mathematics Assessment with a decrease of 11 percent from 77% of the

students performing at proficiency level on the 2023 F.A.S.T Mathematics Assessment compared to a 66% of the students performing at proficiency level on the 2024 F.A.S.T. Mathematics Assessment. A factor that contributed to the decline is the need for additional implementation of differentiated instruction during the mathematics instructional block.

Greatest Gap

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends. An analysis of the data from the 2024 administration of the F.A.S.T. Assessment for Reading and Mathematics and the Science Assessment reveals that the F.A.S.T Mathematics Assessment had the greatest gap compared to the state average. The F.A.S.T Mathematics Assessment state average for grades 3-5 is 58% of the students at proficiency level, our school's data on the F.A.S.T. Mathematics Assessment is 66% of the students at proficiency level with a gap of 8%. A factor that contributed to this gap increase was the incorporation of additional instructional resources and the focus on implementing differentiated instruction during the instructional block.

EWS Areas of Concern

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

Reflecting on the EWS data, identify one or two potential areas of concern. An analysis of the EWS data reveals the potential area for concern is student attendance. With the implementation of the attendance committee, administration and faculty will work collaboratively to share areas of opportunities and strategies to increase attendance during the school year.

Highest Priorities

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

1. Student Attendance
2. ELA
3. Math
4. Science
5. School Culture

B. Area(s) of Focus (Instructional Practices)

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

Area of Focus #1

Address the school's highest priorities based on any/all relevant data sources.

Instructional Practice specifically relating to Math

Area of Focus Description and Rationale

Include a description of your Area of Focus, how it affects student learning, and a rationale explaining how it was identified as a crucial need from the prior year data reviewed.

According to the 2024 FAST PM3 data, 35% of the lowest 25 subgroup made learning gains in Mathematics as compared to the district average of 60%. Based on the data and the identified, contributing factors of: a need for Standards-aligned instruction implementation, we will implement the Targeted Element of Instructional Coaching/Professional Learning.

Measurable Outcome

Include prior year data and state the specific measurable outcome the school plans to achieve for each relevant grade level. This should be a data-based, objective outcome.

With the implementation of Standards-aligned instruction, 40% of the lowest 25 subgroup will make learning gain on the 2025 F.A.S.T. Mathematics assessment.

Monitoring

Describe how this Area of Focus will be monitored for the desired outcome. Include a description of how ongoing monitoring will impact student achievement outcomes.

This area of focus will be monitored by administration.

Person responsible for monitoring outcome

Sergio Munoz (sergiomunoz@dadeschools.net)

Evidence-based Intervention:

Describe the evidence-based intervention (practices/programs) being implemented to achieve the measurable outcomes in each relevant grade level, explain the rationale for selecting this specific strategy, and describe how the identified interventions will be monitored for this Area of Focus (ESEA Section 8101(21)(B)).

Description of Intervention #1:

The evidence-based intervention that will be implemented for this Area of Focus will be to establish and implement instructional frameworks that are aligned to the B.E.S.T standards increasing the percent of students in the lowest 25 subgroup on the F.A.S.T. Mathematics assessment.

Rationale:

The implementation of this evidence-based intervention will provide teachers with a set of best practices during the instructional block to execute lessons based on B.E.S.T. Standards-aligned instructional targets resulting in an increase of student proficiency on the lowest 25 subgroup F.A.S.T. Mathematics assessment.

Tier of Evidence-based Intervention:

Tier 1 – Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement:

List the action steps that will be taken to address this Area of Focus or implement this intervention. Identify 2-3 action steps and the person responsible for each step.

Action Step #1

Monitor lesson plans

Person Monitoring:

Sandra Munoz-Rose (smunoz@dadeschools.net)

By When/Frequency:

This action step will be implemented weekly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Monitor lesson plans that will result in timely feedback to teachers that is explicit, constructive and corrective.

Action Step #2

Collaborative planning

Person Monitoring:

Sandra Munoz-Rose (smunoz@dadeschools.net)

By When/Frequency:

This action step will be implemented weekly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Collaborative planning will be held on a weekly basis, as a result teachers will analyze data and share best practices for remediation and enrichment.

Action Step #3

Professional learning

Person Monitoring:

Sandra Munoz-Rose (smunoz@dadeschools.net)

By When/Frequency:

This action step will be implemented monthly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Facilitate professional learning opportunities for classroom teachers to incorporate on-going data while aligning state standards, benchmark clarifications and placing guides in lesson planning.

Action Step #4

Collaborative Planning

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented weekly by

January 17, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Continue collaborative planning will be held on a weekly basis, as a result teachers will analyze data and share best practices for remediation and enrichment.

Action Step #5

Professional Learning

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented monthly by January 17, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Continue Facilitating professional learning opportunities for classroom teachers to incorporate on-going data while aligning state standards, benchmark clarifications and placing guides in lesson planning.

Action Step #6

Collaborative Planning

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This actions step will be implemented weekly by May 23, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Collaborative planning to analyze data with the leadership team will provide best practices for remediation and enrichment.

Action Step #7

Professional Learning

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented monthly by May 23, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Professional learning opportunities using current data with additional support on the use of resources will individualize student instruction.

Area of Focus #2

Address the school's highest priorities based on any/all relevant data sources.

Instructional Practice specifically relating to Science

Area of Focus Description and Rationale

Include a description of your Area of Focus, how it affects student learning, and a rationale explaining how it was identified as a crucial need from the prior year data reviewed.

According to the 2024 data, 56% of the 5th grade students were proficient in science as compared to

the district average of 61%. Based on the data and the identified contributing factors of: percentage of teachers implementing interactive learning during the science instructional block, we will implement the Targeted Element of Instructional Coaching/Professional Learning.

Measurable Outcome

Include prior year data and state the specific measurable outcome the school plans to achieve for each relevant grade level. This should be a data-based, objective outcome.

With the implementation of interactive learning environment, 61% of the 5th grade students will score at proficiency level on the 2025 Science Assessment.

Monitoring

Describe how this Area of Focus will be monitored for the desired outcome. Include a description of how ongoing monitoring will impact student achievement outcomes.

Interactive learning during the science instructional block will be monitored by administration, instructional coach and grade level chairpersons.

Person responsible for monitoring outcome

Sergio Munoz (sergiomunoz@dadeschools.net)

Evidence-based Intervention:

Describe the evidence-based intervention (practices/programs) being implemented to achieve the measurable outcomes in each relevant grade level, explain the rationale for selecting this specific strategy, and describe how the identified interventions will be monitored for this Area of Focus (ESEA Section 8101(21)(B)).

Description of Intervention #1:

Standards based collaborative planning with a focus on science standards will increase percent of students scoring at proficiency level on the F.A.S.T Science assessment.

Rationale:

This will provide an opportunity for teachers to work collaboratively with the purpose of sharing best practices that will lead to improvements in standards-aligned lessons, instructional effectiveness and student achievement on the science assessment.

Tier of Evidence-based Intervention:

Tier 1 – Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement:

List the action steps that will be taken to address this Area of Focus or implement this intervention. Identify 2-3 action steps and the person responsible for each step.

Action Step #1

Technology integration

Person Monitoring:

Sandra Munoz-Rose (smunoz@dadeschools.net)

By When/Frequency:

This action step will be implemented bi-weekly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Technology programs such as Gizmo will be used as part of the Science curriculum for remediation and enrichment instruction.

Action Step #2

Teacher Driven Observations

Person Monitoring:

Sandra Munoz-Rose (smunoz@dadeschools.net)

By When/Frequency:

This action step will be implemented monthly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Provide opportunities for teachers to participate in Teacher Driven Observations (TDO) that will result in building capacity of colleagues

Action Step #3

Build Capacity

Person Monitoring:

Sandra Munoz-Rose (smunoz@dadeschools.net)

By When/Frequency:

This action step will be implemented weekly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Build capacity within teachers on using interactive notebooks during their instructional block to proper align state standards and pacing guide to streamline instructional practices.

Action Step #4

Technology Integration

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented bi-weekly by January 17, 2025

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Continue using technology programs such as Gizmo will be used as part of the Science curriculum for remediation and enrichment instruction.

Action Step #5

Build Capacity

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented weekly by January 17, 2025

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Continue to build capacity within teachers on using interactive notebooks during their instructional block to proper align state standards and pacing guide to streamline instructional practices.

Action Step #6

Technology Integration

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented bi-weekly by May 23, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Technology programs such as Gizmo and Edusoft with the use of SAVVAS and Educational Bootcamp will remediate and enrich the science curriculum.

Action Step #7

Build Capacity

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented weekly by May 23, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Continue to build capacity within teachers on using interactive notebooks during their instructional block by implementing Teacher Driven Observations (TDO) among colleagues.

Area of Focus #3

Address the school's highest priorities based on any/all relevant data sources.

Instructional Practice specifically relating to ELA required by RAISE (specific questions)

Area of Focus Description and Rationale

Include a description of your Area of Focus, how it affects student learning, and a rationale explaining how it was identified as a crucial need from the prior year data reviewed.

According to the 2024 FAST PM3 data, 74% of the 3rd - 5th grade students were proficient in ELA as compared to the district average of 62%. Based on the data and the identified, contributing factors of: percentage of teachers implementing differentiated instruction during the ELA instructional block, we will implement the Targeted Element of Instructional Coaching/Professional Learning.

Grades K-2: Instructional Practice specifically relating to Reading/ELA

Differentiated instruction will be implemented during the K-2nd grade ELA instructional block in addition to ELA intervention for Tier 2 and Tier 3 students to increase the proficiency level on the 2025 STAR Early Literacy/Reading Assessment.

Grades 3-5: Instructional Practice specifically related to Reading/ELA

Differentiated instruction will be implemented during the 3rd-5th grade ELA instructional block in

addition to ELA intervention for Tier 2 and Tier 3 students to increase the proficiency level on the 2025 F.A.S.T. Reading Assessment.

Grades K-2: Measurable Outcome(s)

With the implementation of differentiated instruction, 61% of the Kindergarten through 2nd grade students will score at proficiency level on the 2025 STAR Early Literacy/Reading Assessment as compared to 56% proficiency on the 2024 STAR Early Literacy/Reading Assessment.

Grades 3-5: Measurable Outcome(s)

With the implementation of differentiated instruction, 79% of the 3rd through 5th grade students will score at proficiency level on the 2025 F.A.S.T. Reading Assessment as compared to 74% proficiency on the 2025 F.A.S.T. Reading Assessment.

Monitoring

Describe how this Area of Focus will be monitored for the desired outcome. Include a description of how ongoing monitoring will impact student achievement outcomes.

Differentiated instruction will be monitored by administration, instructional coach and grade level chairpersons.

Person responsible for monitoring outcome

Sergio Munoz

Evidence-based Intervention:

Describe the evidence-based intervention (practices/programs) being implemented to achieve the measurable outcomes in each relevant grade level, explain the rationale for selecting this specific strategy, and describe how the identified interventions will be monitored for this Area of Focus (ESEA Section 8101(21)(B)).

Description of Intervention #1:

The evidence-based intervention that will be implemented for this Area of Focus will be to establish and implement instructional frameworks that are aligned to the B.E.S.T standards during differentiated instruction based on student data to increase the percent of students scoring at proficiency level on the F.A.S.T Reading Assessment.

Rationale:

The implementation of this evidence-based intervention will provide teachers with a set of best practices during the instructional block to execute lessons based on student data that targets the instructional needs of their students resulting in an increase of student proficiency on the F.A.S.T. assessment.

Tier of Evidence-based Intervention:

Tier 1 – Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement:

List the action steps that will be taken to address this Area of Focus or implement this intervention. Identify 2-3 action steps and the person responsible for each step.

Action Step #1

Differentiated instruction

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented weekly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Incorporating interdisciplinary differentiated instruction in grade Kindergarten through 5th grade.

Action Step #2

Collaborative planning

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented weekly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Collaborative planning will be held on a weekly basis, as a result teachers will analyze data and share best practices for remediation and enrichment.

Action Step #3

Professional learning

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented monthly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Facilitate professional learning opportunities for classroom teachers to incorporate on-going data while lesson planning for differentiated instruction during their instructional block.

Action Step #4

Differentiated Instruction

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented weekly by January 17, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Continue to incorporate interdisciplinary differentiated instruction in grade Kindergarten through 5th grade.

Action Step #5

Professional Learning

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented monthly by January 17, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Continue to facilitate professional learning opportunities for classroom teachers to incorporate on-going data while lesson planning for differentiated instruction during their instructional block.

Action Step #6

Differentiated Instruction

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented weekly by May 23, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Implement interdisciplinary differentiated instruction in grades Kindergarten through 5h grade using various data to make individualized instructional decisions.

Action Step #7

Professional Learning

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented monthly by May 23, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Facilitate professional learning opportunities and implement strategies learned to improve teaching practices that results in enhanced student achievement.

IV. Positive Culture and Environment

Area of Focus #1

Other

Area of Focus Description and Rationale

Include a description of your Area of Focus for each relevant grade level, how it affects student learning, and a rationale explaining how it was identified as a crucial need from the prior year data reviewed.

According to the 2023-2024 school climate survey, the greatest needs for improvement is staff morale (30% strongly agree).

Measurable Outcome

Include prior year data and state the specific measurable outcome the school plans to achieve for each relevant grade level. This should be a data-based, objective outcome.

With the implementation of shared leadership, this indicator will increase by 5 percentage points on the 2025 School Climate Survey.

Monitoring

Describe how this Area of Focus will be monitored for the desired outcome. Include a description of how ongoing monitoring will impact student achievement outcomes.

This area of focus will be monitored by quarterly surveys through the google forms platform. Person responsible for monitoring outcome:

Person responsible for monitoring outcome

Sergio Munoz (sergiomunoz@dadeschools.net)

Evidence-based Intervention:

Describe the evidence-based intervention (practices/programs) being implemented to achieve the measurable outcomes, explain the rationale for selecting this specific strategy, and describe how the identified interventions will be monitored for this Area of Focus (ESEA Section 8101(21)(B)).

Description of Intervention #1:

The evidence-based strategy that will be implemented for this Area of Focus will be to empower teachers and staff.

Rationale:

Empowering teachers and staff will promote a positive school culture that allows personnel to problem solve through teamwork and enhance relationships through collaboration.

Tier of Evidence-based Intervention:

Tier 1 – Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement:

Action Step #1

Leadership Team Meetings

Person Monitoring:

Sandra Munoz-Rose (smunoz@dadeschools.net)

By When/Frequency:

This action step will be implemented weekly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Weekly leadership team meetings will be held and as a result will provide teachers who serve in leadership roles the opportunity to work collaboratively with administration and colleagues.

Action Step #2

Best Practices Workshops

Person Monitoring:

Sandra Munoz-Rose (smunoz@dadeschools.net)

By When/Frequency:

This action step will be implemented monthly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Best Practices Workshops will be provided to teachers on professional development planning days and once per month at faculty meetings. As a result, this will afford all teachers the opportunity to share strategies and activities with their colleagues that are reflective of best practices for their given content area.

Action Step #3

Leadership opportunities

Person Monitoring:

Sandra Munoz-Rose (smunoz@dadeschools.net)

By When/Frequency:

This action step will be implemented monthly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Provide leadership opportunities for teachers that will result in a variety of leadership roles at the school site

Action Step #4

Best Practices Workshops

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented monthly by January 17, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Continue to provide best Practices Workshops will be provided to teachers on professional development planning days and once per month at faculty meetings. As a result, this will afford all teachers the opportunity to share strategies and activities with their colleagues that are reflective of best practices for their given content area.

Action Step #5

Leadership opportunities

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented monthly by January 17, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Continue to provide leadership opportunities for teachers that will result in a variety of leadership roles at the school site.

Action Step #6

Best Practices Workshops

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented monthly by May 23, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Provided additional opportunities for teachers to share strategies and activities with their colleagues that are reflective of best practices for their given content area beyond professional planning days

and faculty meetings.

Action Step #7

Leadership opportunities

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented monthly by May 23, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Provide leadership opportunities to all teachers through leadership roles on their area of expertise.

Area of Focus #2

Student Attendance

Area of Focus Description and Rationale

Include a description of your Area of Focus for each relevant grade level, how it affects student learning, and a rationale explaining how it was identified as a crucial need from the prior year data reviewed.

According to the 2023-2024 Early Warning Systems data, 68% of students had 0 – 10 absences compared to the district average of 51% of students

Measurable Outcome

Include prior year data and state the specific measurable outcome the school plans to achieve for each relevant grade level. This should be a data-based, objective outcome.

With the implementation of celebrating successes on student attendance, this indicator will decrease by 5 percentage points on the 2024-2025 Early Warning Systems data.

Monitoring

Describe how this Area of Focus will be monitored for the desired outcome. Include a description of how ongoing monitoring will impact student achievement outcomes.

This area of focus will be monitored by truancy report submitted to the region monthly and monthly parent attendance meetings conducted by the attendance committee.

Person responsible for monitoring outcome

Sergio Munoz (sergiomunoz@dadeschools.net)

Evidence-based Intervention:

Describe the evidence-based intervention (practices/programs) being implemented to achieve the measurable outcomes, explain the rationale for selecting this specific strategy, and describe how the identified interventions will be monitored for this Area of Focus (ESEA Section 8101(21)(B)).

Description of Intervention #1:

The evidence-based strategy that will be implemented for this Area of Focus will be to celebrate

success to increase student attendance.

Rationale:

By celebrating student attendance, it will promote a positive school culture that motivates students to attend school that will result in an increase of student achievement.

Tier of Evidence-based Intervention:

Tier 1 – Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement:

Action Step #1

Attendance Contract

Person Monitoring:

Sandra Munoz-Rose (smunoz@dadeschools.net)

By When/Frequency:

This action step will be implemented monthly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Meet with parents and students to go over attendance expectations and sign a yearly attendance contract.

Action Step #2

Student Reward Activities

Person Monitoring:

Sandra Munoz-Rose (smunoz@dadeschools.net)

By When/Frequency:

This action step will be implemented monthly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Rewarding students with monthly 100% perfect attendance by participating in a reward activity.

Action Step #3

Teacher incentives

Person Monitoring:

Sandra Munoz-Rose (smunoz@dadeschools.net)

By When/Frequency:

This action step will be implemented monthly by September 27, 2024.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Teacher incentives will be provided to those achieving 70% of student attendance monthly.

Action Step #4

Student Reward Activities

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented monthly by January 17, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Continue rewarding students with monthly 100% perfect attendance by participating in a reward

activity.

Action Step #5

Teacher Incentives

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented monthly by January 17, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Continue providing teacher incentives will be provided to those achieving 70% of student attendance monthly.

Action Step #6

Student Reward Activities

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented monthly by May 23, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Continue to monitor student attendance and rewarding students with 100% perfect attendance.

Action Step #7

Teacher Incentives

Person Monitoring:

Sandra Munoz-Rose

By When/Frequency:

This action step will be implemented monthly by May 23, 2025.

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Provide teacher incentives to increase student attendance and communicate with students and parents the correlation of school attendance and student achievement.

V. Title I Requirements (optional)

A. Schoolwide Program Plan (SWP)

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in ESEA Section 1114(b). This section of the SIP is not required for non-Title I schools.

Dissemination Methods

Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership, and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESEA 1114(b)(4))

List the school's webpage where the SIP is made publicly available.

The SIP is presented to the stakeholders through EESAC and to staff and faculty members through faculty meetings. Hard copies of the plan can be found within the parent resource center and the school's main office. Parents can also access a copy of our plan within our school's website at <https://emerson elementary.net>.

Positive Relationships With Parents, Families and other Community Stakeholders

Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.

List the school's webpage where the school's Parental and Family Engagement Plan (PFEP) is made publicly available. (ESEA 1116(b-g))

Emerson Elementary strives to create a positive school culture and environment for students, their families, faculty, and staff members. A variety of experiences are infused throughout the year that engage these stakeholders and ensure that they have necessary information to support our educational initiatives. Students are recognized on a regular basis through i-Ready and attendance incentives, Do The Right Thing awards, and Values Matter initiatives, while staff members are able to attend faculty meetings that celebrate success and allow for the sharing of best practices. Additionally, we utilize a variety of platforms to communicate with our stakeholders, including social media, our school website <https://emerson elementary.net>. and our monthly newsletter. We continue to build teacher capacity to ensure that our classrooms are highly engaging and foster the highest level of student success.

Plans to Strengthen the Academic Program

Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part II of the SIP. (ESEA Section 1114(b)(7)(ii))

The school plans to strengthen the academic program in the school, increase the amount of quality of learning time and help provide an enriched an accelerated curriculum by: 1) Collaborative planning practices that will be monitored by administration and grade level chairpersons. 2) Standards based collaborative planning with a focus on B.E.S.T standards to increase percent of students scoring at proficiency level on the F.A.S.T assessment. 3) The sharing of teachers best practices to lead to improvements in standards-aligned lessons, instructional effectiveness and student achievement on the F.A.S.T. assessment.

How Plan is Developed

If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESEA Sections 1114(b)(5) and 1116(e)(4))

N/A

B. Component(s) of the Schoolwide Program Plan

Components of the Schoolwide Program Plan, as applicable

Include descriptions for any additional, applicable strategies that address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging state academic standards which may include the following:

Improving Student's Skills Outside the Academic Subject Areas

Describe how the school ensures counseling, school-based mental health services, specialized support services, mentoring services, and other strategies to improve students' skills outside the academic subject areas. (ESEA 1114(b)(7)(iii)(I))

At Emerson Elementary we provide a positive school climate and promote student skills in dealing with bullying and conflicts, solving problems and developing healthy peer relationships. Early intervention services are provided for students in need of additional support. Our school culture involves teachers and other support staff that are trained to recognize early warning signs of mental health needs and ensure that students in need are referred to counseling and mental health services.

Preparing for Postsecondary Opportunities and the Workforce

Describe the preparation for and awareness of postsecondary opportunities and the workforce, which may include career and technical education programs and broadening secondary school students' access to coursework to earn postsecondary credit while still in high school. (ESEA 1114(b)(7)(iii)(II))

N/A

Addressing Problem Behavior and Early Intervening Services

Describe the implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act. (20 U.S.C. 1400 et seq. and ESEA 1114(b)(7)(iii)(III)).

Emerson Elementary implements a schoolwide tiered model to address problem behavior and academic needs by beginning with the assessment of teachers proactively identifying who may need additional support in an area (e.g., reading, math, behavior) and the use of district level early identification processes to begin high-quality instruction and tiered lessons for each tier of instruction. Students receive support (research-based, targeted instruction or intervention) matched both to their skills and level of need. Student progress is monitored closely to ensure that the additional support is helping. Students who need additional help in developing positive behaviors are provide tiered interventions that focus on finding the function of the behavior.

Professional Learning and Other Activities

Describe the professional learning and other activities for teachers, paraprofessionals and other school personnel to improve instruction and use of data from academic assessments, and to recruit

and retain effective teachers, particularly in high need subjects. (ESEA section 11149b)(7)(iii)(V)).

Emerson Elementary provides opportunities for professional development that analyzes and interprets data (formative, summative, diagnostic, and standardized). Professional Learning that aligns materials and resources for small and whole group instruction, differentiated instruction that is targeted and tiered to address the instructional needs of the students are essential in improving instruction. Teachers are increasingly becoming more adept at utilizing data analysis to plan instruction that explicitly and systematically targeting student needs. This results in increased student achievement and the retainment of highly-qualified teachers.

Strategies to Assist Preschool Children

Describe the strategies the school employs to assist preschool children in the transition from early childhood education programs to local elementary school programs. (ESEA 1114(b)(7)(iii)(V))

In the preparation for a smooth transition to elementary school programs, students are exposed to the kindergarten environment by visiting and interacting with the kindergarten and first grade classes. Florida VPK assessments determine student readiness and implement learning strategies. The data will be used to plan daily academic and social instruction for all students as well as for groups of students or individual students who may need intervention beyond core instruction. Academic and behavioral instruction will include daily explicit instruction, modeling, guided practice and independent practice of all academic and/or social emotional skills identified by screening data. All outgoing Pre-Kindergarten students are assessed prior to or upon entering Kindergarten in order to ascertain individual and group needs and to assist in the development of instructional/intervention programs.

VI. ATSI, TSI and CSI Resource Review

This section must be completed if the school is identified as ATSI, TSI or CSI (ESEA Sections 1111(d)(1)(B)(4) and (d)(2)(C) and 1114(b)(6)).

Process to Review the Use of Resources

Describe the process to review the use of resources to meet the identified needs of students.

No Answer Entered

Specifics to Address the Need

Identify the specific resource(s), rationale (i.e., data) and plan to address the need(s) (i.e., timeline).

No Answer Entered

VII. Budget to Support Areas of Focus

Check if this school is eligible for 2024-25 UniSIG funds but has chosen not to apply.

No

BUDGET	ACTIVITY	FUNCTION/ OBJECT	FUNDING SOURCE	FTE	AMOUNT
